LIFE POSITIVELY**

Study in
UK

- ▶ Scholarships are available for both Bachelor's and Master's Courses.
- ▶ UK universities are known worldwide for their top-notch education and high standards.
- ▶ UK has strong ties with industries, so there are many chances to get internships and job placements, which can be helpful for the career.

Study in
CANADA

- ▶ Benefit from a post-graduate work permit after graduation. Canada provides pathways to permanent residency for international students.
- ▶ Canada offers high-quality education with diverse programs with scholarships.
- ▶ Access valuable internship and co-op programs.

Study in
AUSTRALIA

- ▶ Australia boasts a strong reputation for its high-quality education system, with many universities consistently ranked among the world's best.
- ▶ Graduates with qualifications and skills in demand may be eligible to apply for permanent residency, providing a pathway to long-term settlement in Australia.

Study in
NEW ZEALAND

- ▶ Post-graduate work rights in New Zealand allow international students to gain valuable work experience after graduation, enhancing their employability.
- ▶ Permanent residency for skilled migrants, including options tailored to graduates who wish to stay and contribute to the country's workforce.
- ▶ Relatively affordable living costs, including tuition fees and accommodation.

Study in
USA

- ▶ The USA offers Optional Practical Training (OPT) and H-1B visa programs, allowing international graduates to work and potentially transition to permanent residency.
- ▶ Being at the forefront of innovation, studying in the USA provides access to groundbreaking research and technology.
- ▶ With a wide range of programs and institutions, the USA offers diverse opportunities to pursue academic interests.

Dreaming of Studying Abroad ?

Let Us Make It Happen !

Embarking on a journey to study abroad is an exciting opportunity, and we're here to support you every step of the way!

Study in
EUROPE

- ▶ European universities offer a range of scholarships and funding opportunities for international students.
- ▶ Some European countries offer the EU Blue Card, a residence permit for highly skilled workers, which can lead to permanent residency after a certain period.
- ▶ Studying in Europe allows students to build a global network of contacts, enhancing career prospects and opportunities for collaboration.

Study in
DENMARK

- ▶ Denmark consistently ranks high in quality of life indices, with excellent healthcare, social welfare, and safety standards.
- ▶ Offers post-graduation work permits, allowing international graduates to work and seek employment opportunities after completing their studies.
- ▶ Graduates with relevant skills may apply for a Danish Green Card, facilitating permanent residency in Denmark.

Study in
HUNGARY

- ▶ Hungary offers a lot of opportunities for students including excellent placement support.
- ▶ Compared to many Western countries, Hungary offers affordable tuition fees and living costs, making it a budget-friendly option for higher education.

From: Sylhet, Bangladesh
University of Bedfordshire
Subject: MBA

University of Bedfordshire

★ recommends Merit Apex.

My name is Md Saifuzzaman, I am delighted to provide this recommendation for MERIT APEX Education Consultancy. As a client of theirs, I have experienced firsthand the exceptional service and expertise they offer in the field of education consultancy.

I wholeheartedly recommend MERIT APEX Education Consultancy to anyone seeking expert guidance and support in their educational endeavors. Their unwavering commitment to excellence, coupled with their personalized approach, sets them apart as a leader in the field of education consultancy.

ROUIYA MIRZA SHAIKH

From: Bengaluru, India
Bournemouth University
Subject: Artificial Intelligence

BU Bournemouth University

★ recommends Merit Apex.

Merit Apex is one of the best Education Consultancy I have come across so far. They are absolutely genuine and very supportive throughout the entire process. Mr. Mahfuzur Rehman is a very genuine and supportive person. He has supported and helped me through my entire process until I reached U.K. and started with my University. I am very much Thankful to him. And let me mention that Merit Apex services are absolutely free of cost. I would like to recommend about Merit Apex to anyone who is looking to study abroad.
